Professional Caring Card Examples

Card	Front	Inside
A	Grief, like the ocean comes in waves only to recede and come yet again. But with it comes healing. Memories wash ashore and are bathed by the golden sun.	Grab hold of those memories and let them fill the emptiness.
B	A special day is coming up for you...	and we want you to know we haven't forgotten.
C	Sometimes love is for a moment. Sometimes love is for a lifetime. Sometimes a moment is a lifetime.	And in that brief moment in time when your world stood still, we were in awe of your strength and courage as you lovingly said goodbye to your precious little one.
D	A person's a person no matter how small.	We continue to be humbled by how even a tiny person can teach us so much in that brief moment in time.
E	May the angels surround you	and give you comfort.
F	The morning glory blooms but for an hour and yet it differs not at heart from the giant pine that lives for a thousand years - Teitoku Matsunaga	Again we are reminded that the quality of a life cannot be judged by our limited understanding of time.
G	The morning is the worst, the afternoon is barely tolerable... and the night is unending.	It must be hard to believe life will get easier. Others who have traveled this path before you have said that much to their surprise, it does. Please try to hold on to that hope.
H	When someone you love becomes a memory,	the memory becomes a treasure.
I	In an instant you and your little one touched our hearts.	And though you must travel a lonely, grief filled road for a while, we want you to know we hold you in our thoughts.
J	Sometimes when one person is missing, the world seems so empty.	When your grieving time is done, may that emptiness be filled with sweet memories of your forever baby
K	Assortment Packet - one each of the above
